//ABOUT ME

I am an informatics engineering student at Padjadjaran University. I am motivated to further develop my skills both technically and professionally. I have an interest in software development, data mining, and network engineering. I have good problem solving skills, high responsibility, adaptability, and flexibility. Learning new things is important and also fun for me because of the technology advancement that is happening every day.

//EDUCATION

High School // SMAN 8 Bandung
2015 - 2018

Informatics Engineering // Padjadjaran University
2018 - Present

//WORK EXPERIENCE

Computer Science Laboratory Assistant // Padjadjaran University
2020 - Present

I am currently working as a laboratory assistant in my campus. I applied for this work because I aim to hone my skills whilst teaching other people useful knowledge.

- Teach my junior mostly programming related course.
- Help troubleshoot juniors having trouble.
- Learn and explore more about subjects that I taught.

//SKILLS

+ PROFESSIONAL

- ACTIVE
- ADAPTABILITY
- COMMUNICATION
- CRITICAL THINKING
- TEAMWORK

+ TECHNICAL

- C, C++, C#, JAVA, PYTHON
- HTML5, CSS3, PHP, JAVASCRIPT
- SQL
- ADOBE PHOTOSHOP

Project Lead & Back-End Developer // Software Development Course
2020

In the lab work of software development course, my team with a group of five decided to develop a website named Semba.co. We decided to use Laravel Framework for this website. More info about this project will be published on my GitHub Pages.

- I handle mostly the back-end and the architectural design of the website.
- Dividing tasks among my teammates.
- Help some of the front-end stuff.

Staff at Profession Department // Himatif FMIPA Unpad
2019 - 2020

This department serves as a department that specializes in accommodatng and facilitating profession fields for the members of Himatif FMIPA Unpad. I act as a staff in this department and have developed and learned a lot of skills such as communication abilities, time management, teamwork, and leadership traits.

- Became project officer of one of the work program in this department.
- Communicate with co-workers and external companies.
- Facilitate others professionally.
